Content:

1 everything belongs to the eyes  
whether you have them or not

long be things and thots are  
nave weather or that you heave not

if not then go into the water

if then thine wont eaters go

you will form a lens for seeing

morph a pen for being forms you

you will form a lens for seeing

morph a pen for being forms you

using the activity of water

sing thy woes of eco factivity

you will move the vibes around

be vibey emotive wave round

you will need an autoencoder

you will need an **AUTOENCODER**

to plug the tank in which is

glug that in which that is that

essentially a **SHRADAPTER** for

spatially a pterodactyl in suit

turning linkages of stimulus

burning pink age after mollusk

and response into moments

or repose on totems amber

in addition to anatomy.

Pleiades on my tan anachronym.

plug in to the work of water

**Decoder Pod** plug in

as an opportunity for mind

sans time in the unit of port

taking repetition to the end

repletion den thoting around

line

phoneline

waiting in another shadow

window onto other window onto

listening for crackles in leaves

singing in crevices lacking me

Genome Sequencing and Assembly  
Strategies and a Comparative Analysis of the  
Genomic Characteristics in Penaeid Shrimp
